(VALID 01/01/2022 – 31/12/2022)

GrunnMUN Conference 2022 Refund Policy **(Valid 01/01/2022 - 31/12/2022)**

1. General Conditions

In certain cases, it is possible to have your attendance fee refunded. This may be the case if you cancel your own registration, or if your participation is no longer possible due to a decision of the Board of Directors (see section 2). For refunds arising as a consequence of the COVID-19 pandemic, a modified refund policy applies, subject to conditions (see sections 3). By submitting your application and joining GrunnMUN 2022, you are agreeing to the conditions set forth in this refund policy.

2. General Refund Policy

Should you decide to cancel your participation, for reasons unrelated to the COVID-19 pandemic, you are eligible for a full refund if you request this at least 21 days before the conference. Your request has to be sent to participants@teimun.org. The date of your first refund request is leading to the determination of your refund eligibility under this section. Unfortunately, it is not possible to refund your participation fee after this deadline, unless it is covered by Section 3.

3. Refunds Arising from COVID-19-related Circumstances Before the Conference

Delegates who are unable to attend the conference as a consequence of circumstances related to the COVID-19 pandemic, arising before the start of the conference, are eligible for a full refund of the attendance fee. To submit the evidence required (e.g. proof of a positive Rapid- or PCR-test), send an email to participants@teimun.org. The date of your first refund request is leading to the determination of your refund eligibility under this section.
